

JMJ COLLEGE FOR WOMEN (AUTONOMOUS) :: TENALI
DEPARTMENT OF COMPUTER SCIENCE
SYNOPSIS FOR THE YEAR 2012-13

INTERNET WEEK

The department of Computer Science conducted “Internet Week” for all III degree students from 13.08.12 to 18.08.12, only afternoon sessions in student computer center.

There are five sessions, total students are divided into five batches. 30 students are in each batch. The classes are conducted by the concerned members: Ms.Kalpana, Mr.J.V.S.Satyanarayana, Sr. Amul Mary, Ms.D.S.L. Vasavi Aparna, Mr.P.Murali faculty of computer science. The following topics are covered. Introduction to internet, importance of Internet, mail-id creation, sending and receiving e-mail, Registration for jobs.

OBJECTIVE TYPE TEST OF IT SKILLS

The department of Computer Science conducted an objective type test on “IT Skills” for III B.Sc(MPComp, MEC, MCS) & III B.Com computer students on 17.09.2012.

There were 30 objective type questions given to each student based on fundamentals, C, DBMS and Operating Systems. Each question carries 1 mark and the allotted time is 30 minutes.

WORD SEARCHING CONTEST

The department of Computer Science conducted a “**Word Searching Contest**” for I Degree students on 19.11.2012. There were 20 words given to each student related to computer subject. The student should have found the word in the given table.

That word may be in horizontal, vertical or across. Each word carries 1 mark and the allotted time is 20 minutes. 60 students wrote the test and three members won.

COMPUTER PAINTING COMPETITION

The department of Computer Science conducted a “Computer Painting Competition” for all the Degree students on 14.12.2012 in Student Computer Centre. The painting theme is any festival and it was given to the student’s wish

Time duration is 30 minutes. The paintings were selected according to all the themes covered in the painting about the festival. 30 students were participated and out of them 3 members were selected.

OBJETIVE TYPE TEST ON PROGRAMMING SKILLS

The department of Computer Science conducted an objective type test on “Programming Skills” for II B.Sc(MPComp, MCS) & II B.Com Computer students on 10.01.2013.

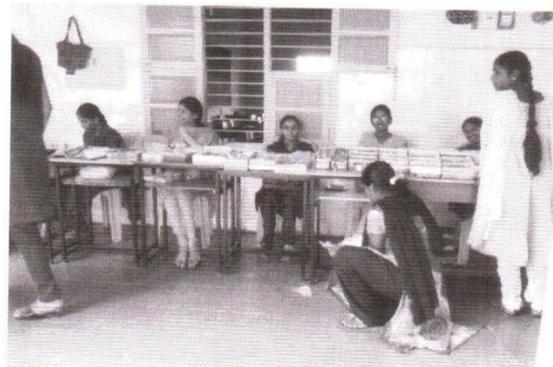

There were 30 objective type questions given to each student based on Programming in ‘C’. Each question carries 1 mark and the allotted time is 30 minutes. The 30 questions are come from their syllabus which was studied from their previous classes. They answered the multiple choice questions which are in objective type.

JMJ COLLEGE FOR WOMEN (AUTONOMOUS) :: TENALI
DEPARTMENT OF COMPUTER SCIENCE
SYNOPSIS FOR THE YEAR 2013-14

1. Guest Lecture on Data Entry Operator services:

Department of computer science arranged guest lecture on **Data Entry Operator services** by N.Sowjanya, data entry managing director for II & III Bcom students in mini auditorium on 30.09.13.

2. Objective type test on Programming Skills:

Department of computer science conducted objective type test on

programming skills on 30.11.2013 for all II BSc MCS, MComp, BCom comp in mini auditorium. Time duration for test was 30 minutes. Each question carries one mark. The winners were awarded.

3. Sales Mela: Department of computer science conducted **sales mela** on 20.12.13 in the college campus. Commerce and computer science departments together choose some students and sold some items like fancy, snack items. Then they obtained 3000/- as profit.

4. Inspire program:

Innovation in Science Pursuit for Inspired Research (**INSPIRE**) Internship science camp was conducted by the department of Zoology from 6.01.2014 to 10.01.2014 sponsored by Department of Science and Technology (DST). 150 students who secured above 9.1GPA in X

class from 10 different colleges.

They are divided into 4 batches. Each batch having practical sessions every day afternoon.

J.Vasundhara, J.S.Kalpna, and J.V.S Satyanarayana explained about operating system, Ms-Word, Power Point, trouble shooting of CPU in student computer center and given practice to students.

creation, browsing, searching, mails checking, e-registration etc..

4. Objective type test on IT Skills:

Department of computer science conducted objective type test on **IT Skills** on 30.01.2014 for all III BSc MCS,MPComp,BCom comp in Mini auditorium. Time duration for test was 30 minutes. Each question carries one mark. The winners were awarded.

5. Internet Week: Internet week was conducted for all I Degree students in student computer center from 12.02.14 to 15.02.14. All I degree are divided into 3 groups, each group contains 50 members. Computer faculty explained about e-mail id

JMJ COLLEGE FOR WOMEN (AUTONOMOUS) :: TENALI
DEPARTMENT OF COMPUTER SCIENCE
SYNOPSIS FOR THE YEAR 2014-15

1. Word Searching Contest:

Department of Computer Science conducted Word Searching Contest on 23.08. 2014 at 12:00am in the old auditorium for all first degree students. Test like to find out the given computer terms out of jumbled letters. There are 20 words to be found out with the time. The time duration is 30 Minutes.

2. Regional student seminar and intercollegiate paper presentation competition:

The department of computer is going to conduct **Regional Level Student Seminar** on “e-learning” on 19.09.14 at 2.00pm for all degree students in seminar hall. At this juncture, an intercollegiate paper presentation

3. competition on the topics of E-learning tools and systems, Mobile computing, Cloud

presentations awarded by cash prizes and mementoes.

4. Test on Programming Skills:

Department of computer science conducted programming skills test on 26.09.2014 at 11:30 A.M in the mini auditorium for all II degree students. Test was conducted on ‘C’ programming modules, it was purely objective type. There are 30 questions. The students who got highest marks were awarded.

5. **School Activity:** Department of computer science conducted school activity on the S.K.V.C.M.Z.P.H School, Garuvupalem on 01-11-2014. In this activity Ms.J.Suvarna Kalpana, Lecturer in Computer S.science went to the school with five students of III B.Sc (Comp) and took classes for 8th and 6th class students.

6. **Province Level Intercollegiate power point presentation competition:** The department of Computer Science conducted **Province Level Intercollegiate power point presentation competition** on “use of ITC in the class room” on 20.11.2014 at 10:30am for the students of St.Joseph’s Junior college for women,Nallapadu, St.Joseph’s B.Ed college Guntur, J.M.J Junior college for Girls, Hanuman Junction and J.M.J College for Women(Autonomus). Tenali

7. **Solidarity day:** On the occasion of solidarity day department of computer science and commerce together sold snack items, badam milk, tea, fruit salad and Zilebi.so, We got 4500.00 as profit and we gave that money to management.

8. **Computer Painting Competition:** Department of Computer Science conducted Computer Painting Competition on 12.12 14 at 3.40 P.M in Cyber world lab for all degree students. The topic is favorite festival. The time duration is 45 minutes. The best painting was awarded in general assembly Principal distributes the prizes to the prize winners.

9. Guest Lecture: Computer department conducted guest lecture

on “**Image Processing**” by Mrs.A.V.Kavitha, HOD of computer science, Govt. women’s college, Guntur

10. Demonstration class on Android software: Department of Computer Science conducted demonstration class on Android software by Vignan University students for II BSc computer students on 23.02.15. They gave presentation on android phones, android products its usage, they given several examples about android products.

11. Extension activity: Department of Computer Science conducted extension activity i.e visiting Sabari Oldage Home, Chenchupet. We went to Sabari Oldage Home on 02.02.15 at 3.00 p.m with five II Bsc computer students . Students sang some devotional songs in that place, and we distributed orange fruits to them who are living in the oldage home. They felt so happy and they share some views with us.

JMJ COLLEGE FOR WOMEN (AUTONOMOUS) :: TENALI
DEPARTMENT OF COMPUTER SCIENCE
SYNOPSIS FOR THE YEAR 2015-16

1. Essay Writing Competition on International Yoga day

Department of Computer Science conducted Essay Writing Competition on the account of International Yoga day on 20.06.2015 at mini auditorium. Winners were given prizes in the after noon session of the program.

2. Guest Lecture on Mobile Computing

Department of Computer Science conducted Guest Lecture on 01.07.2015 at 10 AM on Mobile Computing by V.T. Ram Pavan Kumar, Lecturer in Computer Science, KBN College, Vijayawada.

3. Industrial Visit to OK Graphics

Department of Computer Science conducted Visiting to O.K. Graphics Computer Center, Tenali on 09.07.2015 at 2.00 PM for all III B.Sc (Comp) and III B.Com(Comp) students to know about flexy designing and printing procedure. The Flexy Design Printing Machine Operator explained about the printing mechanism, color and software used for printing. Sr. Amul Mary and J. Suvarna Kalpana are the staff incharge for the students.

4. Earn While You Learn

Department of Computer Science has been conducting Color Photo Printing under Earn While You Learn with the help of II B.Sc Computer Students. Still we have earned Rs. 3000/- in this Academic Year 2015-16.

5. School Activity

Department of Computer Science has been conducted School Activity at Z.P High School, Yadlapalli on 31.08.2015. Students taught Fundamentals of Computers, Fundamentals of

Internet, and MS-Word. And also we conducted exam on Word Searching Test and distribute the 1st, 2nd and 3rd prizes to 9th and 10th class students.

6. Faculty Forum Lecture

D. Usha Kranthi, Department of Computers a Faculty Forum on Introduction to Database System at IQAC Room on 23.09.2015 4.00 pm.

7. Objective Type Test on IT Skills

Dept. of Computer Science conducted Test on gave IT Skills on Programming in C language Management of Multiple Choice Questions at Old Auditorium on at 28.10.2015 at 4.00pm for all II Degree Students

8. Competition on Paper Presentation

Dept. of Computer Science conducted Competition on Paper Presentation for Final Degree Computer Science Students of IIB.Sc(MPComp,MCS) and III B.Com(Computers) on 12th October, 2015 at New Seminar Hall.

9. Objective Type Test on Programming Skills

Dept. of Computer Science conducted Test on Programming Skills on Programming in C language of Multiple Choice Questions at Old Auditorium on 26.11.2015 at 4.00pm for all II Degree Computer students.

10. Sales Mela

Dept. of Computer Science and Commerce involved on the occasion of Solidarity Day in JMJ College Campus. We sold Snack items Fast foods like Manchuriya, Noodles, Fried Rice, Bakery items Egg pufs, curry pufs, Evening snack items Bajji, Punugu. Gulab Jam, cool drinks and Tea. We gained profit 5200/- rupees at JMJ College Campus on 28.11.2015 at 8.00pm to 5.00 pm.

11. Workshop On Software Development

Dept. of Computer Science conducted workshop on “Software Development “ for II B.Sc(MPCom,MCS) and II B.Com(Comp) at IQAC Room on 04.12.2015 at 10.00 am to 6.00 pm . The Resource Person was G. Prasanth, Software Consultant, Global Infotech, Hyderabad.

12. Workshop On .NET Frame Work

Dept. of Computer Science conducted workshop on “.NET Frame Work “ for III B.Sc(MPCom,MCS) and III B.Com(Comp) at IQAC Room on 05.12.2015 at 10.00 am to 6.00 pm . The Resource Person was G. Prasanth, Software Consultant, Global Infotech, Hyderabad.

13. Guest Lecture on Global Recognized Certification

Department of Computer Science conducted Guest Lecture on 22.01.2016 at 3.30 PM on Global Recognized certifications by Prof. Venkat Ikkurthy, M.Sc,M.Phil (statistics) ,SAS Consultant and Trainer founder of Configer(USA) for final degree computer student.

14. Computer Painting Competition

Department of Computer Science conducted Computer Painting Competition on 20.02.2016 at 3.40 P.M at Cyber World lab for all degree students.

JMJ COLLEGE FOR WOMEN (AUTONOMOUS) :: TENALI
DEPARTMENT OF COMPUTER SCIENCE
SYNOPSIS FOR THE YEAR 2016-17

1. Feeding the Poor

Department of Computer Science has been went to Gandhi Ashramam at Tenali on 08.07.2016 and donated them Rs. 1500 for the feeding purpose. The 2016 year was announced as “Year of Mercy” by the Pop Francis. So feeding the poor is under the year of mercy.

2. Candle Light Freedom March

Department of Computer Science conducted “Run for Freedom” on account of “AZAADI 70” “Independence 70” from 9th to 23rd August, 2016 declared by the Government on 10.08.2016 at 7 P.M. It was started at College gate and students with staff run to the Ranaranga Chowk and selected statues. Then at College campus we had a candle light freedom March from Auditorium to the Bharatha Matha Statue.

3. School Activity

Department of Computer Science has been conducted School Activity at NCRN Municipal High School, Morris Pet, Tenali on 20.08.2016. Students taught Fundamentals of Computers, Fundamentals of Internet, and MS-Word. And also we conducted exam on Word Searching Test and distribute the 1st, 2nd and 3rd prizes to 9th and 10th class students.

4. Group Discussion On Internet

The Department of Computer Science has been conducted Group Discussion on Internet on account of Krishna Pushkaralu on 22.08.2016 for all degree students in mini auditorium at 3.00 P.M. The students were made into two groups to support Internet and against Internet. The 1st, 2nd and 3rd prizes were distributed.

5. Workshop on “Quality Enhancement in Higher Education”

Department of Computer Science conducted Workshop on “Quality Enhancement in Higher Education” by V. Sundhara Rao Garu, Govt. Degree College, Tanuku on 08.09.2016 at 2.00 P.M. for the teaching staff.

6. Competition on Paper Presentation

Department of Computer Science conducted Competition on Paper Presentation for Final Degree Computer Science Students on the occasion of Krishna Pushkaralu Phase II Competition on 30.09.2016. The Presentation time limit is 10 minutes. Mrs. G. Saraswathi Devi Madam acted as Judge.

7. Celebration of National Education Day

Department of Computer Science celebrated “National Education Day” on 11.11.2016 at 3.00 pm for all degree students at New Seminar Hall. On this account Dr. K. Ramchand garu, Principal of ASN Degree College, Tenali gave a talk on importance of the Day. He encouraged students to lead a value life.

8. Quiz Competition

Department of Computer Science conducted Quiz Competition for the III B.Sc(MPComp, MCS) students. Quiz questions were displayed by the projector in the Room No:14 on 29.11.2016. The students were divided into 3 groups. The 1st, 2nd and 3rd prizes were distributed.

9. Sales Mela

Dept. of Computer Science and Commerce involved on the occasion of Solidarity Day in JMJ College Campus. We sold Morning break fast items Idli, Vada, Bonda and Snack items Fast foods like Manchuriya, Noodles, Fried Rice, Bakery items Egg pufs, curry pufs, Evening snack items Bajji, Punugu, Pakodi. cool drinks and Tea. We gained profit 4300/- rupees at JMJ College Campus on 03.12.2016 at 8.00pm to 5.00 pm.

10. International Work shop on Energy Efficient Transmission and Distribution

Department of Computer Science conducted International Work shop on “Energy

Efficient Transmission and Distribution” on 09.12.2016 by Dr. Bhaskara Prabhala, Researcher of Pensylin University, USA.

- 11. International Work shop on Applications of Computers in USA Educational System**
Department of Computer Science conducted International Work shop on “Applications of Computers in USA Educational System” on 14.12.2016 by Dr. Bhaskara Prabhala, Researcher of Pensylin University, USA.

- 12. Visit to Asraya Ward**
Department of Computer Science has been went to Asraya Ward in Government General Hospital on 06.01.2017 which is meant for mentally disabled persons.

- 13. Workshop on Android Software**
Department of Computer Science conducted one week workshop on Android Software for all final degree computer students on 7th

to 14th November 2016.

- 14. Computer Painting Competition**
Department of Computer Science conducted Computer Painting Competition on 21.02.2017 at 3.40 P.M at Cyber World lab for all degree students.

- 15. Earn While You Learn**
Department of Computer Science conducted Bangle & Paper Ear Rings preparation under Earn While You Learn with the help of III B.Sc Computer Students. Still we have earned Rs. 1000/- in this Academic Year 2016-17.
