Name: B Meghana  
I Studied B.Sc Home Science in JMU College for Women Tenali

Now, I'm Pursuing M.Sc Food & Nutrition in Acharya Nageswara University

Feed back: My Journey in JMU College is Wonderful. The Basic Steps that JMU I learned to be has laid a beautiful part for my carrier. The Home Science department maid me a complete individual and helped me to face the opticles in my carrier Foundation. The environment of JMU college and the facilities provided to me are great enough to laid a Strong foundation for the Crior development.

Name: VV Anantha Bhavani  
Batch: 2016, 2019  
B.Sc Home Science  
Name of the College: JMU College For Women Tenali.

I'm Pursuing M.Sc Food & Nutrition,  
[SIMS Group of Institution, Mangaldas Nagar, Guntur].  
Feed back of JMU College For Women Tenali: -

In Degree I'm Studied in our College. I'm Feel Very happy to Study in JMU.  
I learn So much Subject in JMU.  
Very good Libs are in our College.  
Very good Library.  
Faculty also told every one what students want Like Subject & Extra activities.  
In B.Sc I learn Subject very Perfectly with Supporting Our Madams.  
What is we learn in B.Sc Home Science that is Very useful for Further Studies.  
So, I Feel Very happy to Study B.Sc Home Science in our college.

In M.Sc I don't see that much of Labs & Library.  
When I'm studying M.Sc in SIMS College, I think M.Sc Food & Nutrition have in JMU. I Feel Very happy.

1. This college has good faculty.
2. They care about each and every student.
3. The teaching is very good and they teach with real life examples.
4. practicals are conducted strictly and equipment in labs are good.
5. I am working as a home science lecturer in government vocational junior college.guntur.

Respected etc. madam,  
My name is Suchitra, I completed my graduation in Bsc home science from JMU college during 1996-1999. I am proud to say that I am the student from JMU college now I am working as extension officer in women development and child welfare department our madams of home science department are hard working and taught us how to reach our goals through hardwork. I can say that if I didn't study home science in JMU college I couldn't get this government job. very thankful to our department, college, specially to our madams.  
Thanking you all

Am M Usharani from Department of Home Science. Now am working in zero budget natural farming project as Health NRI. I really happy to share about my college experience in jmj college. And proud to be home science student ever in my life. It represents how am now. In my every situation it made me stronger when compare to others in academics and personally. I personally thankful to especially Rajasree mam and hemalatha mam. And my dear lovely buddies.  
Thank you A.
