Online Certificate Verification System:

JMJ College launches online certificate verification system. We are glad to announce the launch of an online verification system <https://jmjcollege.directverify.in> to facilitate expeditious verification of student certificate. This system will enable the organizations and agencies Worldwide to verify JMJ College student's certificate online form anywhere in the World to safe guard themselves from the fake document menace verification request status can be monitored by using the transaction numbers. Furthermore Net Banking, Credit cards and Debit cards facility is enabled for making payment for raising a request for verification. As the new enhanced process is ready for use, pass out and outgoing students of JMJ College are here by requested to use this Online Certificate verification system whenever the employers of organizations or Educational institutions insist for such verification.

We request to contact our online certificate verification query team for more details at: Mobile No.: +91-9676474328, +91-9494125642.
